Cookie Notice

Published 2026-02-24

> **Purpose statement:** This Cookie Notice explains how LatentWorlds AI B.V. uses cookies and similar technologies on our website, and how you can control them.

Document status: Public
Version: 1.0
Effective date: 2026-02-24
Owner (top management): Alejandro Daniel Noel, Cofounder & CTO
Website publication location: https://www.latentworlds.ai/policies/cookie-notice
Contact: policy@latentworlds.ai

1. What cookies are

Cookies are small text files stored on your device when you visit a website. Similar technologies (such as local storage and pixels) can store or access information on your device in comparable ways. In this notice, we refer to all such technologies as "cookies".

2. How we use cookies

We use cookies to:

- make the website work reliably and securely;
- remember basic preferences where applicable; and
- understand aggregate website usage to improve our content and user experience, where such analytics are enabled.

Some cookies are **strictly necessary** for the website to function. Where we use non-essential cookies (for example, analytics cookies), we do so only where we have a valid legal basis. In jurisdictions that require consent for non-essential cookies, we will request your consent before placing them.

3. Types of cookies

3.1 Strictly necessary cookies

These cookies are required for core site functionality and security. Without them, the website may not work properly. They are typically set in response to actions you take (for example, submitting a form) or to provide security controls.

3.2 Preferences cookies

These cookies remember choices you make (such as region or language preferences), where applicable.

3.3 Analytics cookies (optional)

Analytics cookies help us understand how visitors use the website (for example, which pages are visited most). We use analytics in a way that is proportionate and focused on aggregate insights. Where consent is required, analytics cookies are disabled unless you opt in.

4. How to control cookies

You can control cookies in several ways:

- **Browser settings.** Most browsers let you block or delete cookies and manage site permissions.

- **Device settings.** Some devices provide additional controls for local storage and tracking.
- **Consent choices.** Where we present a cookie consent interface, you can choose which non-essential cookies to allow and you can withdraw consent at any time by revisiting the cookie settings.

Blocking certain cookies may impact the website's functionality.

5. Changes to this notice

We may update this Cookie Notice as our website evolves. We will publish the updated version on our website and update the effective date.

6. Adoption and signature

By signing this document, top management adopts this Cookie Notice for publication and use.

Adopted on: 2026-02-24
